

DECI-2 provides
A Project Decision-Making Framework

- Principles**
- Utilization-focused evaluation: a decision-making framework
 - Research communication: enhances use of findings for influence
 - Attention is paid to readiness from the beginning
 - Training through demand-driven, just-in-time mentoring
 - Course correction of project strategy is expected and planned
 - Utilization is the focus from initial project design to completion
 - A collaborative, learning and reflective process is embedded
 - Participation and shared ownership are fundamental
 - The process builds individual and organizational capacity
 - Complexity and evolving contexts are addressed
